

HOW TO MAKE IT INDIVIDUAL or 20 Ways To Wear A Necklace

Procedure:

About 10 Persons were asked to transform a mass-produced necklace into an individual jewellery piece with a few simple steps.

Steps:

1. A mass produced necklace is to be given to the first participant.
2. Now, the participant has to create two ways to wear the necklace (different from the usual way, to wear this necklace, for example: as a brooch, bracelet, headpiece, necklace, combined with clothes, etc.).
3. The necklace must not to be destroyed or changed permanent.
4. After finishing, each participant has to test the piece by wearing and then to document with a selfie.
5. Please name the selfie(s) with your first name in chinese signs and in Pinyin and save it on the attached memory stick
6. After that the necklace has to be given to the next participant.

In the end, the fotos will be contrasted with the original necklace in an installation.

如何让它变得独特 或者 20种佩戴项链的方式

过程：

大约10个同学（学院的中国和法国学生）参与，要求用简单的步骤将一条批量生产的项链改变成一件独具个性的首饰。

步骤：

- 1、 第一个同学会拿到一条批量生产的项链。
- 2、 参与者要创造出两种佩戴项链的方式（必须和常规的佩戴方式不同，例如：作为胸针、手链、头盔、与衣服相连的项链等等）。
- 3、 项链不能被损坏或者作永久地改变。
- 4、 完成以后，每一个同学需要试验佩戴并自拍照片留存记录。

- 5、 请用名字的中文+拼音来命名自拍的照片，保存在记忆棒（U盘）中。
- 6、 结束以后，请把项链给下一个参与的同学。

最后，所有的照片会和原来的项链在一个装置中对照呈现。
